Serving the Lord in United States

Then he said to his disciples, “the harvest is plentiful, but the laborers are few; therefore, pray earnestly to the Lord of the harvest to send out laborers into his harvest.” Matthew 9:37-38

Aasha (“Hope” in Hindi) Ministry equip churches to engage confidently with Hindu friends and neighbors.

Churches are equipped by Aasha Ministry through a combination of training and ongoing support. Here are the key aspects:

Be Equipped by attending:

- **Training:** Hindu-cultural workshops and a basic evangelism training to meaningful friendships and share the hope of Jesus through cultural understanding and spirit-led conversations.
- **Monthly Support Zoom meeting:** participants can bring their thoughts and questions as they build friendships with their Hindu neighbors. These meetings provide ongoing support and encouragement

Be Encouraged by being:

- **Network of Like-minded Individuals:** participants become part of a network of similar-minded people who are actively building friendships within Hindu communities. This network offers a sense of community and shared purpose

Prayer For:

- Hindu people to be freed from the bondage of endless cycle of rebirth and come to know the true God and receive eternal life.
- Participants to have an open and willing heart to learn and grow together.
- Ongoing support and protection over Aasha Ministry.
